

# COID AMENDMENT ACT UPDATE

## Stay Compliant – Stay Informed!

The Compensation for Occupational Injuries and Diseases (COID) Amendment Act has significantly changed the legal landscape for employers, HR professionals, and health & safety practitioners.

This 2-hour webinar will unpack everything you need to know to stay compliant and mitigate risk.

### Key Topics We'll Cover:

- New Definitions and Expanded Coverage: Inclusion of contractors, domestic workers, and gig economy workers.
- Revised Compensation Framework: Updated benefits, assessment rates, and calculation methods.
- Reporting and Compliance Obligations: New timelines and digital submission requirements.
- Strengthened Employer Responsibilities: Record-keeping, safety obligations, and penalties for non-compliance.
- Procedures for Medical Practitioners and Insurers: Updated certification and processing guidelines.
- Return-to-Work and Rehabilitation Provisions: New rules promoting reintegration of injured workers.

### Who Should Attend:

- HR Professionals
- Health & Safety Officers
- Compliance Managers
- Business Owners and Directors
- Legal and Risk Advisors
