

POPI (PROTECTION OF PERSONAL INFORMATION)

This session will guide you through the legislative timeline and the purpose of the Act, ensuring you understand its application and exclusions. We will delve into key definitions and unpack the 8 Conditions of Lawful Processing, providing practical steps to ensure compliance. We'll also compare the POPI Act with the GDPR, explore the duties of the Regulator, and share helpful tips for compliance.

Through practical discussions, we'll cover applicable penalties and the crucial role of an information officer, along with best practices for data processing. Finally, we'll address the risks your business may face in case of non-compliance. Let's get started on safeguarding personal information effectively!
