

MASTER YOUR EE COMPLIANCE IN 2026

In today's evolving regulatory environment, effective management of DG Reviews and Employment Equity (EE) Plans is essential for organisational success and compliance. This programme is carefully designed to equip professionals with the knowledge, tools, and strategies needed to confidently navigate preparation, monitoring, and sector alignment for 2025-2030. Participants will benefit from practical frameworks, industry best practices, and actionable resources to enhance risk mitigation and drive meaningful progress in EE initiatives.
