DEPARTMENT OF COMMUNICATIONS AND DIGITAL TECHNOLOGIES

NO. 671

12 JUNE 2020

AMENDMENT OF DIRECTIONS ON THE RISK-ADJUSTED STRATEGY FOR THE COMMUNICATIONS AND DIGITAL TECHNOLOGIES SECTOR ISSUED UNDER REGULATION 4(10) OF THE REGULATIONS MADE UNDER SECTION 27(2) OF THE DISASTER MANAGEMENT ACT, 2002 (ACT NO. 57 OF 2002)

I, Stella Ndabeni-Abrahams, Minister of Communications and Digital Technologies, hereby, under regulation 4(10) of the Regulations made under section 27(2) of the Disaster Management Act, 2002 (Act No. 57 of 2002), and published in Government Notice No. R480, Government *Gazette* No. 43258 of 29 April 2020, amend the Directions on the Risk-Adjusted Strategy for the Communications and Digital Technologies Sector published in Government *Gazette* No. 43263, Government Notice No. 484 of 3 May 2020, as amended by the Directions published in Government *Gazette* No. 43351, Government Notice No. 590 of 26 May 2020, as indicated in the Schedule.

MS STELLA TEMBISA NDABENI-ABRAHAMS, MP
MINISTER OF COMMUNICATIONS AND DIGITAL TECHNOLOGIES
DATE: 12-06-2020

SCHEDULE

DEFINITION

1. In this Schedule “the Directions” means the Directions on the Risk-Adjusted Strategy for the Communications and Digital Technologies Sector published in Government *Gazette* No. 43263, Government Notice No. 484 of 3 May 2020, as amended by Government Notice No. 590 of 26 May 2020.

AMENDMENT OF PARAGRAPH 3 OF DIRECTIONS

2. Paragraph 3 of the Directions is hereby amended by the substitution for the heading of the following heading:

“3. Opening of Communications and Digital Technologies Sectors and mitigation measures – Alert Levels 5 and 4”.

INSERTION OF PARAGRAPH 3A IN DIRECTIONS

3. The following paragraph is hereby inserted in the Directions, after paragraph 3:

“3A. Opening of Communications and Digital Technologies Sectors and mitigation measures – Alert Level 3

3A.1 Purpose

The purpose of these Directions is to provide further information regarding which sectors and sub-sectors of the communications and digital technologies sector are allowed to operate at Alert level 3.

3A.2 Mitigation measures

These Directions include mitigation measures that are necessary to prevent the spread of the COVID-19. The mitigation measures according to level, sector and subsector are as follows:

LEVEL 3	
Sectors and sub-sectors	Mitigation measures
Electronic communications services and electronic communications network services as defined in the Electronic Communications Act, 2005 (telecommunications service and infrastructure)	Electronic communications services and electronic communications network services value chain including ICT/End-user/Subscriber equipment: Compliance with all Directions in respect of health protocols and social distancing to prevent the exposure of persons to COVID-19 including the following:

- All containers / shipments must, on arrival be sanitised before handover;
- all electronic communications facilities, equipment and materials used must be sanitised daily including at a warehouse;
- all products must be sanitised before being packaged for consumers;
- all staff must be thermal scanned daily and must sanitise throughout the day;
- all staff must be equipped with cloth face masks; and
- all staff must maintain adequate floor space, queuing distance and physical distancing as prescribed in the Regulations.

Retail stores/ franchised stores of electronic communications service licensees:

In addition to the requirements of the Regulations, the following mitigation measures apply:

- Staff must ensure adequate floor space, queuing distance and physical distancing;
- staff must, where possible, work in shifts with some staff members working from home to assist or call customers remotely;
- there must be a one customer per consultant ratio, in addition to general social distancing requirements;
- all must sanitise before entering the store;
- all must wear cloth face masks;
- staff must be screened;
- perspex dividers must be installed in stores; and
- there must be clear signage in stores highlighting hygiene expectations.

	<p>Installation, maintenance and repairs: The following apply to technicians that do on-site installations and repairs:</p> <ul style="list-style-type: none"> • Technicians must be thermal scanned daily and must sanitise throughout the day; • all equipment and materials used must be sanitised daily; • technicians must be equipped with masks; and • technicians must keep a distance of at least 1.5 meters from the customer when installing or repairing end-user and subscriber equipment.
Broadcasting services	
Online services	All Directions in respect of health protocols and social distancing to prevent the exposure of persons to COVID-19 must be adhered to.
