- 2.3.3.4 On site pick-ups and deliveries of fully sanitised cars will be allowed under strict hygiene conditions with an option of home delivery of fully sanitised cars if possible.
- 2.3.3.5 Car auctions for all categories will be conducted online in compliance with the CPA Regulations and limited physical contact will be allowed for viewing prior to the auction under very strict hygiene conditions including fully sanitised cars and limits on the numbers of persons at auctions in order to maintain a distance of at least 1,5m between persons at all times, including when entering or exiting from an auction.

2.3.4 Further Directions in relation to the sale of cars:

- 2.3.4.1 All dealerships and used car outlets will ensure limited teams of employees and contractors to access the dealerships to prepare for the start-up in line with COVID-19 risk mitigation measures.
- 2.3.4.2 All dealerships and used car outlets shall implement health and safety measures, including, but not limited to the following:
 - (a) Sanitisation procedures at all sites will be strictly applied to ensure that all work surfaces, equipment and cars on the floor are disinfected before the dealership is opened, and regularly cleaned during the working period;
 - (b) maintaining social distancing protocols at all times;
 - (c) ensuring that all staff and customers wear a cloth face mask or a home-made item that covers the nose and mouth and

- not allowing any customer access to a dealership, used car outlet or auction without a face mask;
- (d) not allowing an employee who is sick or who has COVID-19 symptoms to work;
 - (e) mandatory screening of all employees when they arrive for work on a daily basis;
 - (f) mandatory signing of a register by all visitors and customers to all sites; and
 - (g) not permitting children access to dealerships and used car outlets under Alert Level 4.
- 2.3.4.3 Dealer Principals or other persons in charge of dealerships and used car outlets will ensure that ongoing training and guidance on personal hygiene and preventative measures are communicated to all employees on a regular basis.
- 2.3.4.4 All dealerships and used car outlets shall at all times act in compliance with risk-adjusted measures for occupational health and safety as a prerequisite for operation.

Support and Enablement Services

In order to improve efficiency and support car sales, the following entities must be allowed to operate under strict risk-adjusted measures, hygiene and physical distancing requirements stipulated in the Regulations -

- (a) Car testing centres;
- (b) Homologation services from the National Regulator for Compulsory Specifications [NRCS];
- (c) Weigh bridges;
- (d) Logistics for the wholesale distribution of cars across South Africa, subject to the following:
 - (i) movement of cars under own power to be permitted from Port of arrival to an approved storage facility provided vehicles moved do not exceed batches of 10 at a time;
 - (ii) new cars to be driven between dealerships within the same province where a car is required for sale only; and
 - (iii) movement of cars to be permitted to service outlets required to complete the repair of the car where unable to perform the work at the dealership but excluding the fitment of accessories.

3. Emergency Automobile Repairs

3.1. Service Operations:

- 3.1.1. All car maintenance and repairs will be confirmed through appointment only. Unsolicited walk-ins will only be allowed under exceptional and emergency

circumstances and a full record of each such instance will be kept in writing at the premises of the business for a period of 3 months after the state of disaster has been lifted.

- 3.1.2. Members of the public will not be allowed, under any circumstances, to enter the workshop environment. These workspaces will exclusively be reserved for technical and support staff.
- 3.1.3. Car owners are to maintain or service their cars within their own municipal boundaries unless in case of extraordinary circumstances.
- 3.1.4. The following categories are classified as emergency car repairs for passenger cars (PCs), Light Commercial Vehicles (LCV), Medium Commercial Vehicles (MCV), Heavy Commercial Vehicles (HCV), Extra Heavy Commercial Vehicles (XHCV), inclusive of buses, motorcycles, trailers, caravans, agricultural or any other implement designed or adapted to be drawn by such car:
