

# AARTO – INTERPRETING, PLANNING AND IMPLEMENTING

## ABOUT THE COURSE

The introduction of AARTO has significant consequences, for not only private individuals, but also employers. The purpose of this workshop is to discuss the nature and extent of the impact that AARTO could have on your organization.

AARTO is applicable in any workplace where there are company owned, rented or pool vehicles as well as where employees are using company vehicles in the course and scope of their duties. The effect of AARTO on business can range from rendering an employee incapable of performing their duties as well as potential immobilization of company vehicles. There is also the issue of liability for penalties.

## COURSE OUTLINE

- AARTO terminology and objectives
- Demerit point system
- The administrative and adjudication process
- Impact of AARTO on business and individuals
- Steps that can be taken to address the impact of AARTO in the workplace

The course will also include:

- Policy template
- AARTO contractual clauses
- Learner guide

## WHO SHOULD ATTEND

- HR practitioners
- Fleet Managers, Drivers, and representatives from companies who employ drivers or own or rent vehicles that are used by employees to execute their duties on behalf of the business.
