TRANSFORMING FUTURE B-BBEE THINKING, NOW.

A turnkey business solution combining market leading B-BBEE Consulting and cutting edge cloud-based Software

B-BBEE TRAINING

Global Business Solutions is an accredited training provider under the auspices of the Services SETA (decision number 0209), the ETDP SETA, the South African Board for People Practices (SABPP) and the Quality Council for Trades and Occupations (QCTO registration number SDP00701022018071901) and is therefore a leading national training company. In addition, we have applied for registration with the Department of Higher Education and have subsequently been listed on the published List of Skills Development Provider Applicants.

B-BBEE SECTOR CODES AND CHARTERS

We advise on the application and interpretation of Sector Codes across various sectors and industries in South Africa. We can assist entities in these sectors to understand what is required pursuant to the respective Codes and how best to incorporate the Code requirements into your company's B-BBEE strategy.

ADVISORY AND CONSULTING

Our team of B-BBEE Consultants are widely respected for their technical expertise as well as their commercial acumen. Our extensive expertise in the dynamic field that is B-BBEE will certainly assist your company. We offer support and consultation in terms of strategising, training, structuring and implementation of B-BBEE, as well as the YES for Youth initiative.

PRE & POST AUDIT FILE REVIEW

Collectively, we have advised on and facilitated over 200 B-BBEE pre-verification and verification audits across South Africa. We conduct initial assessments of your company's B-BBEE scorecard, draft strategies to optimise your B-BBEE positioning and capacitate structures responsible for these areas.

SOFTWARE TOOL

The online software solution your organisation needs to manage your B-BBEE simply and strategically. We know because we developed it and it's grown into South Africa's market-leading B-BBEE solution. Visualise, for example, automating huge chunks of your B-BBEE workflow, enabling easy collaboration within teams, and creating real efficiencies.

Consider that all your data could be easily accessed by authorised individuals, and kept up to date with the latest legislation, via our secure and POPI-compliant web-based platform.

Imagine your B-BBEE decision-making becoming more strategic, with reliable data and powerful reporting to support your business choices. With BEE123, it's all possible.

Our turnkey software solution includes:

- Superior B-BBEE scorecard software
- Interactive Dashboards and Reporting
- Advanced B-BBEE supplier and procurement management systems
- Implementation and software training

SUPPLIER AND CERTIFICATE MANAGEMENT

The Advanced Supplier Management Module provides a fully curated, intelligent certificate management solution, using the best of technology and human intervention. We provide linkages into our Database of more than 50,000 current B-BBEE certificates and affidavits. Smart technology automates the collection and capture of your suppliers' B-BBEE certificates.

View all your supplier and procurement information in one place with interactive dashboards, and assign data administration to obtain and capture any of your outstanding certificates, with regular reporting and feedback provided.
